

# **GCCMA Expo**

## **Monday, March 19th**

### **Everything CLUB Under One Roof**

On behalf of the 2018 Expo Committee, we would like to thank you for the continued support of the GCCMA Expo these past years. The success of this annual event is essential in the funding of education and networking activities sponsored by our association for our members.

The Expo is an opportunity to learn about the latest products and services related to our industry. From food and beverage to software to facilities management, you will be able to visit over 150 booths with representatives eager to speak to you and your team. Our vendors are your partners in pursuit of your club's goals.

Special recognition is in order to the vendors noted on the right who have partnered with our association by participating in our Vendor Value Program (VVP) in 2017. We look forward to adding more vendors to our VVP program this year!

All levels of your staff are welcome to attend. We encourage the purchasers and decision makers of your club to be in attendance to help build relationships with the vendors who support the Expo and the Greater Chicago Club Managers Association.

We look forward to seeing all of you on March 19th!
